

SUPREME COURT OF TASMANIA

CIRCULAR TO PRACTITIONERS

No. 12 of 2013

20 June 2013

NEW EMAIL ADDRESSES - CONTACT DETAILS

Practitioners are advised that from 14 June 2013, all email accounts connected with the Supreme Court are being migrated over to a new email address formula as follows:

<firstname.familyname>**@supremecourt.tas.gov.au**

The new email address formula replaces the previous formula of <firstname.familyname>**@justice.tas.gov.au**, and now distinguishes Court staff from Department of Justice staff.

The current email addresses using the “..... **@justice.tas.gov.au**” suffix will be retained for a limited transition period to enable all colleagues and clients to be notified and update their records.

An automatic forwarding of emails sent to 'old formula' addresses has been established to redirect to 'new formula' addresses during the transition period.

All relevant generic email addresses have been updated on the following webpage:
