

SUPREME COURT OF TASMANIA

CIRCULAR TO PRACTITIONERS

No. 9 of 2017

30 August 2017

JUROR ACCESS – HOBART CRIMINAL COURT #7

To improve security and amenity for jurors empanelled for trials in Court 7 in the Hobart Criminal Court, a separate access is being installed.

The access leads from the back of the Jury Room in Court 7 directly onto Salamanca Place via the corridor using access controlled doorways.

Counsel going to or from the robing rooms are requested to be mindful of the possibility that jurors may be passing through that corridor, and to be circumspect as to matters that are discussed in that area.

An additional secure door (with keypad) will also be installed to separate the common area from the robing room and Court offices.
