### **JUSTICE OF THE PEACE - DOCUMENT SIGNING CENTRE AT THE SUPREME COURT, HOBART**

The Tasmanian Society of Justices of the Peace Inc. and the Supreme Court of Hobart will establish a document signing centre staffed by Justices of the Peace, commencing on Wednesday 25 September 2024. The Court has very few Justices of the Peace on staff and has limited capacity to meet demand. The document signing centre will provide an important service to the community.

The document signing centre will be open each Wednesday from 10:00 am to 2:00 pm in meeting room 3, which opens onto the main foyer of the Supreme Court civil building in Salamanca Place, Hobart.

No appointment is necessary to attend the document signing centre on Wednesdays. If possible, please attend the document signing centre if you require a Justice of the Peace and encourage your clients to do the same.

The usual security processes apply to everyone entering the Supreme Court buildings.
